

What I love about Ellis Playscape

An **enclosed space**, opportunities for imaginative play, and **separate play areas for 2-5 and 5-12 age groups** are key things people love the most about the existing Playscape.

What I would improve about Ellis Playscape

Providing updated equipment, **better visibility of kids**, **accessibility**, and **better parking** are key things people would improve about the existing Playscape.

Tell us what your favorite play elements are

Sensory, Balancing, and Climbing are the preferred types of play elements.

Tell us what your preferred playground style is

Hybrid, Traditional, or Adventure playgrounds are the preferred styles of playgrounds.
