Any capital assets owned by the respective Participating Units prior to entering this Agreement or otherwise under contract to be acquired shall remain titled solely in the name of that Participating Unit. This shall not preclude the Territory from providing future maintenance, insurance or use of the pre-Territory acquired equipment after the Territory is formed.

those costs. The pro rata contribution between the Participating Units shall be in the same proportion as the Participating Units' respective June property tax draws for fire protection.

- d. If a Participating Unit withdraws from the Territory, any capital assets purchased jointly by the Participating Units will be valued as of the effective date of the withdrawal and the withdrawing Participating Unit will be entitled to a share of that value, as determined by the withdrawing Participating Unit's contribution to the acquisition of the respective capital assets. The remaining Participating Units in the Territory may distribute cash or assets to satisfy the obligation to the withdrawing Participating Unit, at the discretion of the remaining Participating Units. Any asset acquired by and titled to a single participating unit shall remain the property of that participating unit.
- e. In the event that a Participating Unit withdraws from the Territory, the provisions of I.C. §36-8-19-9(c) shall apply and the withdrawing Participating Unit shall continue to repay that Participating Unit's share of that indebtedness by imposing a property tax within the boundaries of the Participating Unit until the indebtedness is paid in full. The Department of Local Government Finance shall determine the amount of the indebtedness that represents the withdrawing Participating Unit's fair share, considering the equipment purchased, the useful life of the equipment, the depreciated value of the equipment, and the number of years the withdrawing Participating Unit benefited from the equipment.
- f. This Agreement shall terminate if there are not at least two (2) contiguous Participating Units, one (1) of which is designated as the Provider Unit. In the event of the termination of this Agreement, the provisions of I.C. §36-8-19-9(c) shall apply and all assets of the Territory shall be divided pro rata among the Participating Units.

The respective rights and responsibilities of the foregoing entities shall be supplemented by any such applicable laws, and to the fullest extent possible, the terms of this Agreement shall be given their full force and effect. The laws of the State of Indiana shall govern the interpretation, validity, and performance of this Agreement.
