Subject: Request to Add Item to Next Town Council Meeting Agenda

Caution: This is an external email. Please take care when clicking links or opening attachments. If in doubt, please contact the helpdesk.

Dear Mr Morgan.

I hope this message finds you well. I am writing to request that an item be added to the agenda for the next town council meeting to discuss the potential annexation of my property, located at

1956 10th Street,
Danville, IN 46122

Specifically, I would like the council to consider grandfathering the current agricultural use of the property as a condition of agreeing to annexation.

I believe this discussion would be valuable for both the town and my family, as it could facilitate a mutually beneficial agreement while preserving the agricultural character of the property and the life we had hoped to have when we purchased it. I am happy to provide any additional details or documentation needed to support this request and would appreciate the opportunity to address the council directly. Please let me know if there are any specific steps I need to take to formalize this request or if you require further information to include this item on the agenda. Thank you for your time and assistance, and I look forward to your response.

Best regards,
