

CASE SUMMARY

Final Plat & Construction Plan Request

Case: 2025-2270
Lantz McElroy, Arbor Homes, LLC, Petitioners
Matt Maple, HWC Engineering

Request: Final Plat and Construction Plan Approval of a 60-lot Major Subdivision
(Northwood Haven, Section 3)

Location: North side of 10th Street – approximately 900 feet east of Money Lane

Acreage: 21.83 acres

Zoning: Planned Unit Development (PUD)

Final Plat & Construction Plan Request:

The petitioner is requesting final plat and construction plan approval for Northwood Haven, Section 4, which consists of 73 residential lots. This project received preliminary approval on November 9, 2021 and has also received final approval for Sections 1, 2 & 3.

Staff held a Technical Advisory Committee meeting on November 20, 2025, to discuss details of the plans. The petitioner has submitted revised plans addressing the staff's comments.

Joe Miller, Banning Engineering, the Town's engineer, has reviewed the final plat and construction plans and has no additional comments. A copy of Mr. Miller's review letter dated December 5, 2025, is included in your packet of information.

Staff recommends approval of the final plat and construction plans subject to the following:

1. Compliance with the PUD ordinance.
2. An executed Developer Inspection Agreement, and inspection fees paid prior to the pre-construction meeting.
3. An approval letter for the Rule 5 permit must be submitted prior to a pre-construction meeting.
4. Submittal of the Restrictive Covenants prior to recording the plat.
5. It shall be noted that fences are not allowed within any type of easement on each individual lot within this PUD.

Plan Commission Action:

Approve Plat and Construction Plan Request
Approve Final Plat and Construction Plan Request with Conditions
Deny Final Plat and Construction Plan Request
