***Designated Outdoor Refreshment Area Approval***

This letter is to inform Danville that the Indiana Alcohol and Tobacco Commission (ATC or Commission) has approved the Designated Outdoor Refreshment Area (DORA) application for Danville Social District. The DORA has been assigned the reference number DA3200078. This DORA is the 1st approved by the Commission for Danville. Under I.C. Â§ 7.1-3-31-7(b), a municipality may establish up to seven (7) DORAs. In addition to this notification of DORA approval, the Commission will issue designations to each of the retailer permittees that completed designation forms and Danville submitted with its application.

Note that approval of a DORA is subject to IC Â§ 7.1-3-21-11, which provides generally that, absent waiver, a DORA boundary may not be located within 200 feet of a church or school, unless there is at least eighty-five (85) feet and a two (2) lane road of at least thirty (30) feet in width between the boundary and the church or school. If the Commission later determines that, at approval, IC Â§ 7.1-3-21-11 was violated, it shall revoke its approval of the DORA, as well as all designations issued within the dissolved DORA. Note also that Danville may dissolve DORA DA3200078 at any time in accordance with I.C. Â§ 7.1-3-31-11.

If you have any questions, please contact the Commission at (317) 232-2430.
