B. Public Hearing: Danville Liquor Store, Site Plan Review
(Andrew Barkocy, Barkocy Engineering)

A. Barkocy presented the project. He stated the existing building on the lot would be demolished and a new larger building would be constructed. He stated the site was tight with there being overhead electric and sanitary sewer lines across the back of the property. He continued to state there was also a dry retention pond in the back. A. Barkocy stated

they would be using the existing entrance off Main Street, and they would have a delivery drive that would come around the East side of the building for deliveries. He stated they would show a crosswalk area from the asphalt path on Main to the front entrance. He stated the dumpsters on the side near the rear of the building would be enclosed and gated with similar material to the building. S. Rempert stated she was unclear on what the ordinance requirement was for the setback of the sign, but she asked that it not cause visibility issues for drivers. L. Ternet stated the setback requirements are 1 foot per foot of sign height. The meeting was opened to the public. No public comment. The meeting was closed to the public. A. Harvey made a motion to approve. D. Potter seconded the motion. Motion carried 7-0.
